CANINE RESCUE

of Central PA, Inc.

Every Dog Deserves A **Buddy** Like You

We are an all volunteer 501(c)3 organization. It cost money to rescue a dog and we can use all the help we can get! Are you looking for a way to help but can't adopt a dog right now? Now you can help us to help them by becoming a "**Buddy**" to one or more of our dogs waiting for their forever home.

With a monthly donation in the dog's name of your choice, you can be the "**Buddy**" of that special dog until the dog is adopted.

Your name will appear as a sponsor under the dog's picture and bio (if you wish your contribution can be made anonymously). Contributions can also be made in the form of a dedication ("in memory of" or "in honor of" and will be included on the webpage if desired). Your name will also be on their "**buddy tag**" on their kennel run.

We also need sponsors for new dogs coming into rescue. New dogs need to be treated for any health conditions they may have and they need to be tested for heartworm disease and intestinal parasites. Once the testing is completed, they are vaccinated and altered.

All donations are Tax deductible!!

Be the beginning of a happy ending and help one or more of our dogs through the rescue process and into his or her new forever home.
